## Priorities:

- **Common Agricultural Policy:** Liam will focus on budgetary negotiations with a view to protecting CAP payments, negotiating the fairest deal for Irish farmers and supporting Irish farming families.
- **Sport:** As a member of the European Parliament's Committee on Sport, Liam will be working to ensure that the EU Sports Programme encapsulates a 'sport for all' ethos and supports grassroots sports.
- **EU Trade:** European producers work hard to produce high quality and healthy food. Liam will work to ensure that there is fair competition and that European producers are not unfairly penalised.
